Calling Expression of Interest for making Computerized Rail Road Driving License for Railway Locomotives Drivers.

Motive Power sub department of Sri Lanka Railways wishes to call quotations to make a Computerized Driving License for Railway Locomotive Drivers. Those who wish to take part in this task shall express their interest with their Business details, past experience in similar work etc. to make approximately 450 Nos. license on or before 30.09.2021 to dgmp@railway.gov.lk

Once the interested parties selected, the price quotations will be called to make 450 Nos. licenses.

The requirements could be studied by getting an appointment after interest is expressed. Basic requirements are summarized below.

1. No. of licenses – 450 Nos. (approximately)
2. Making additional licenses one by one later shall be possible. The price of one unit shall be same as initial quoted price for first three years. Price increase per year shall not be more than 5 % of previous price after first three years. (Negotiable)
3. All the details of the existing license (Locomotive Drivers' Road Card) shall be included.
4. Details like medical check-up records, additional training, competency test results, evaluation results, track records, accidents, failures and derailment history etc. shall be able to upload time to time by an authorized officer.
5. Details in the Driving License shall be able to read to Railway Officers without difficulty.
6. The size and shape of license may be as that of National Identity Card with a unique appearance.

For clarifications, interested personal may contact;

Eng. H.M.B Sampath – Deputy Chief Engineer (Motive Power) – 0714474600

Eng. K.A.B Pathirathna – Superintendent Engineer (Motive Power) – 0718409361
